

The Library's Summer Reading Program officially kicks off on Monday, June 15. Patrons can sign up, pick up their reading logs, grab a Bookmark Contest entry form, and get the schedule of presentations. This year, we invite the whole family to "Be Creative @ the Library" and have scheduled programs for children, teens, and adults. Weekly prizes for summer readers and weekly drawings for prizes. Most importantly, lots and lots and lots of books to read this summer! Call 831-385-3677 for more information or questions.
