Subject: Airport Layout Plan Public Workshop

The City of King Airport Advisory Committee has scheduled an Airport Layout Plan Public Workshop on November 13, 2017 at 6:00 PM in the Council Chambers, 212 S. Vanderhurst Avenue, King City. The City has hired a consultant to update the Mesa Del Rey Airport Layout Plan and the City would like public input. The consultant will present the status of the Plan and issues being studied. It is an opportunity for anyone in the community that has ideas for future improvements at King City's Airport or would just like to learn more about it. The Mesa Del Rey Airport is a valuable asset for the community and the City would like to make the best use of it as possible. Therefore, future planning is under way.

Some of the specific topics for discussion at the Public Workshop include:

- A proposed new vehicle entrance
- Navigational aids
- New hangar development
- FAA design standards

Please contact City Hall at 385-3281 for more information.

Steven Adams, City Manager
