JOINT MEDIA RELEASE

TODAY

Tuesday, May 10, 2016

The Cities of Greenfield and King City conducted probation and parole compliance checks throughout their respective cities today. With the help of officers from the Monterey County Probation Department, California Department of Corrections and Rehabilitation (CDCR) Soledad, CDCR Investigations Services Unit and CDCR Prole Officers, a total of approximately 34 compliance checks were conducted. The objective of the operation was to address public safety issues in the two cities by ensuring those who are in violation of the law are taken into custody.

At the time of this summary, the operation resulted in 8 arrests: (6) outstanding warrants and (2) failure to comply with their terms of parole or probation.

The use of multiple law enforcement agencies enhances the limited resources of local law enforcement. This is the second time this year the cities of Greenfield and King City have partnered with CDCR and Monterey County Probation to conduct such operations. Both cities wish to express their thanks and appreciation to the California Department of Corrections and Rehabilitation and the Monterey County Probation Department for their assistance and their commitment to help keep our communities safe.
