Subject: King City Skate Park Closed for Repairs

The City of King regrets to announce the temporary closure of the King City Skate Park, located at the San Antonio Park at the corner of Bedford Avenue and San Antonio Drive. Unfortunately, the heavily used Skate Park has suffered damage that has resulted in safety risks, which forces the City to close the facility at this time. Safety of the City's youth is a top priority. City staff have inspected the facility and ordered supplies to make repairs necessary to reopen the Skate Park as quickly as possible. Concurrently, the City is seeking grant funds to fully renovate the park in the future.

Anyone with questions may contact City Hall at (831) 386-5917.
